FOR IMMEDIATE RELEASE

BOWER CONSTRUCTION and THE DOOR COMPANY TO MERGE

Ottawa, Ontario, Canada – Aug 1, 2014 - The Door Company, Eastern Ontario's largest provider of overhead doors for commercial, residential and home builders since 1979, is pleased to announce it has reached an agreement to merge with Bower Construction.

Highly regarded as a reputable service provider, Bower's rich history provides 65 years of commercial door and construction experience. As growing partners over the past three years, both companies had common interests in serving their customers base with a quicker turn-around for service and installation. By combining resources, the merged entity now has 60 staff committed to efficient service across Eastern Ontario.

"This is a great opportunity to provide enhanced service to all of our Customers. We look forward to joining forces with TDC", stated Len Quinn Sr, owner of Bower Construction. Greg Bell, President of The Door Company adds, "We are thrilled to be partnering with Bower, which helps extend our capabilities to key customers by ensuring service trucks are 'just around the corner' and with well-rounded technical experience".

Bower phone numbers remain the same during transition. After hour service requests now made at 855-461-5775.
